*The land now known as Buffalo Valley was purchased back in 1958 by George Stoyanoff. He lived on the land for many years. In 1968, George, with family & friends, began building the complex. After four years of construction, the Buffalo House opened in 1972. It was the place to go for good times & great food. George also raised a herd of buffalo, built a small farm, kid's zoo, swimming pool, campground, six ball fields and the Buffalo Junction. The Buffalo House, along with Buffalo Valley, kept growing and expanding.*

*On March 9, 1984, a small explosion occurred in the wood stove which caused a major fire that burned the Buffalo House to the ground. Many people watched from the roadside as it went up in flames. Many years passed until George decided to rebuild the Buffalo House, again with help from his family and friends. Like the original, the lumber was taken from Buffalo Valley. The new Buffalo House started out with a small bar and a few tables but before long, we expanded into a full dining room, an upstairs banquet facility-Bison Hall, and a outdoor deck over looking beautiful Buffalo Valley. We also rebuilt the Buffalo Junction Banquet Facility after the roof collapsed and is now available for events year around and a new outdoor wedding venue. In addition, we have continued to make great improvements to all of the outdoor facilities. For summer, we offer three lighted volleyball courts, new outdoor patio with fire tables, and an expanded, improved campground with new shower rooms, washer and dryers on-site. We plan to continue upgrading and improving our facilities.*

***Please sit back, relax and enjoy your visit as good food takes time!***
